Troubleshooting:

If it doesn't connect:

Here's a simple, clear guide to download, install and use **geteduroam App** from the **Google Play Store**:

Open the **geteduroam** app

Tap **"Search your institution"**

Type your university or institution name: **MBSTU**

Enter your **institutional username** (like yourid@mbstu.ac.bd) and **eduroam password**

Tap **Login / Connect**

Note: You have now completed the setup and configuration of eduroam. Your device should automatically connect to the eduroam network whenever it is within range at participating institutions.
